Women's Wealth Mentor

HOT Money Relationship LLC

Keynote Speaker

*The Bad-Ass
Bag Lady*

I'm Connie Sands, the Founder and CEO of HOT Money Relationship.

With a corporate career spanning 40 years across technology, human resources, staffing, and non-profit, Connie successfully used her managerial position to inspire, motivate and lead people.

I mentor women who for too long have lived stuck in an unrewarding Money relationship and who are ready to shatter glass ceilings, kick aside outdated Money beliefs, and sweep away emotional barriers that limit their Money possibilities. I help catapult them into unleashed profitable money actions for increased net worth, powerful choices, and cushy security. When a woman discovers that Money is the one partner that will always have her back if she shows it the love, she's taking a bold step towards having a sexy, confident HOT Money Relationship. It's my pleasure to give women the tools to help put themselves FIRST in their Money Life with no guilt, shame, or apologies.

As a Women's Wealth Mentor..and a Bad-Ass Bag Lady, I am a dynamic speaker, an igniter of insights, a tigger of heart strings, and a lover of fun. I would love to speak at your next event.
